Pro Bono Services

Thousands of low-income LGBT individuals face serious legal problems in areas including family law, immigrant rights, employment discrimination, and transgender rights, among others.

The law is not always on their side. That's where our *pro bono* partners step in to provide life-changing services to those who cannot afford an attorney on their own.

The LGBT Bar Association of Greater New York (LeGaL) was one of the nation's first bar associations of the lesbian, gay, bisexual, and transgender (LGBT) legal community and remains one of the largest and most active organizations of its kind in the country.

Focused on the greater New York metropolitan area, LeGaL is dedicated to improving the administration of the law, ensuring full equality for members of the LGBT community, promoting the expertise and advancement of LGBT legal professionals, and serving the larger community.
